Dear Residents,

We recently sent out a survey asking for volunteers to join several new HOA committees — and first, a big thank you to those who've already stepped up 🙌. Your involvement helps make this community stronger.

That said… the overall response hasn't exactly been food-truck-level 🌭.

We've heard loud and clear that some of you want more say in things— and we agree, more resident involvement is a good thing. But wanting more input also means stepping up to take part. Now that the major repair work is underway, we're shifting focus to projects that improve daily life *and* property values — and that's where your involvement really matters.

And just a quick reminder: we're a **self-managed** community. Your HOA board members are volunteers — neighbors with families, jobs, and lives just like yours. Relying on a handful of people to make every decision isn't just unfair, it also means missing out on the chance to include more voices and better ideas.

We're forming three committees:

- **Facilities & Improvements Committee** – to help guide long-term capital projects and upgrades (think pool, pool bathrooms, etc.)
- **Events & Social Committee** – to plan and support community activities for all ages (we all agreed: more food trucks! 🚚)
- **Landscape & Beautification Committee** – to focus on curb appeal, common area upgrades, and general aesthetic improvements 🌿

If you've ever had ideas for improving the community, this is your chance to help shape the outcome. You don't need loads of time — just a bit of willingness to contribute and be part of the process.

📌 **To participate:**
Log into the **Resident Portal** and click "Survey" on the left-hand side.
If you don't use the portal, just reply to this email and let us know which committee(s) you're interested in.

Thanks again to everyone who's already raised a hand — and we hope to hear from a few more of you soon!

Sincerely,
The PSHT Club HOA Board
