Dear Residents,

We hope this email finds you well. Recently, we've received concerns regarding increased solicitation within our neighborhood. As a reminder, Port Sewall Harbor and Tennis Club is a non-solicitation neighborhood, and soliciting is not allowed on our private roads.

To address this issue more effectively, we've coordinated with the local sheriff's office. The HOA has provided the sheriff's office with a form granting them permission to respond directly to resident reports of unwanted solicitation and trespass offenders when necessary.

This procedure will go into effect on Tuesday, the 28th of January, to allow the sheriff's office time to process the required paperwork.

If you encounter an unauthorized solicitor, please take the following steps:

1. **Inform the solicitor:** Politely let them know that our community has a no-solicitation policy and that they are on private property.
2. **Collect a description:** Note a detailed physical description of the individual and their vehicle (including make, model, and license plate if possible).
3. **Call the sheriff's office:** Contact the sheriff's office directly at **772-220-7000** to report the incident and request that they come to remove the solicitor.

We are also adding signage to the neighborhood entrances to make our no-solicitation policy more visible. **The new signs, approved by the sheriff's office, display the relevant statute and will be installed today. These signs are critical to assisting the sheriff in enforcing the policy.**

Lastly, remember that the online portal is available for submitting general requests or concerns. If there's an issue (like this one) you'd like the Board to address, don't hesitate to let us know. Your feedback is vital in keeping our community safe, enjoyable, and well-maintained.

Thank you for your cooperation in helping us maintain the standards of our neighborhood.

Sincerely,

The Board
