Dear Neighbors,

We're reaching out on behalf of residents Zach and Gina to ask for your help in locating their missing cat, **Daffne**.

Daffne is a **6-year-old cat with a white coat and gray and beige markings**. She is **an indoor cat with outdoor access** and always comes inside at sundown for dinner like clockwork. This is very unusual behavior for her — she has **never spent an entire night away from home before**, and her family is understandably very worried.

📍 She was last seen on **May 26th near 3055 SE Glasgow Dr, Stuart, FL**.

She is **very shy**, so if you see her, **please do not approach or chase** — simply contact Zach or Gina right away.

📸 A photo of Daffne is attached to help with identification.

Please also check your sheds, garages, or any indoor spaces where she may have accidentally been trapped. Even a quick check could make a big difference.

Contact Info:

- **Gina**: (772) 285-6925
- **Zach**: (732) 803-0059
  Thank you for keeping an eye out and supporting your neighbors.
