Port Sewall Harbor and Tennis Club Residents – Safety Reminder

Dear Port Sewall Harbor and Tennis Club Residents,

We hope this letter finds you well. As you know, our neighborhood does not have proper footpaths or sidewalks, which can present hazards when walking along the roadways. For your safety, we would like to kindly remind everyone to exercise caution when walking in or near the streets.

Important Safety Tips:

1. **Stay Visible:** If walking along the road, please wear bright, reflective clothing, especially during early mornings or after dark, to ensure you are easily seen by drivers.

2. **Walk Facing Traffic:** Always walk on the left side of the road, facing oncoming traffic. This allows you to see vehicles approaching and react accordingly.

3. **Watch Your Footing:** Be mindful of the edges of the road, where the asphalt may be uneven or giving way. Avoid walking too close to the edge, especially in areas where the ground may not be stable.

4. **Stay Alert:** Pay attention to your surroundings and avoid distractions such as texting or wearing headphones while walking. This will help you stay aware of any potential hazards.

Additionally, we would like to remind all residents and visitors that the **speed limit in our community is 15 MPH**. Please drive carefully and remain mindful of pedestrians, cyclists, and fellow neighbors.

We care about the safety of all our residents and encourage everyone to take extra precautions when walking around our community. If you have any concerns or suggestions about safety in the neighborhood, please don't hesitate to reach out to us at Manager@PSHTClub.com

Thank you for your cooperation and commitment to keeping our neighborhood safe!

Sincerely,
The Board
