Survey

Port Sewall Harbor and Tennis Club has invited you to complete a survey:

🍔 Thinking About Food Truck Nights at the Pool? 🌮.

Survey Description:

We're exploring the idea of inviting a rotating food truck to the pool area on select evenings — maybe once or twice a month.
This would be a casual, social event where residents could grab dinner, relax by the pool, and catch up with neighbors.

🔸 The food trucks will be independent vendors offering food for purchase, so any participation is completely optional.

Before we move forward, we'd love your input to help shape the idea.
